Cost	24 EUR		

This electronic study pack is about Health & Safety in the workplace and is suitable for all people in training and employment. It is intended to raise your awareness of the dangers of your work so that you will not get injured. It is also designed to help you understand your duties to your fellow students and workers, as well as your employer's or college's duties towards you.

This e-learning course is suitable for self paced learning, distance learning and blended learning. This is an online training course and uses high quality multimedia with audio to fully engage the user.
